

ALL PARTIES DISSOLVED

After a time of great political tension in Mayguow, the waters have calmed with the dissolution of all political parties.

On 25/10/2024 Mayguowan Minister of Internal Commerce _RedSnapper held an assembly, in which he explained the danger that political parties posed to the unification of Mayguow and Karydia Imperial. Following this assembly, congress passed a bill, written by the minister, dissolving all parties.

A UNITED CONTINENT?

After spending a few day in talks, the governments of Mayguow and Karydia Imperial have agreed on the unfication of the 2 IF vassals into a new state, the Karydian Union. Despite reluctancy being expressed by the Viceroy of Karydia Imperial due to Mayguow's political instability, newfound hope has manifested itself with the resolutions introduced in the dominion, which have the purpose of reducing tension.

KICKSTART TO MAYGUOW'S ECONOMY

After placating the tensions in Mayguow, Minister of Internal Commerce _RedSnapper has given the country's economy a small kickstart through his company, Snapper Imports. By buying various diamond tools and reselling them in the capital, the company has stimulated principally the mining "industry", there have been reports of people venturing underground after having bought pickaxes from Snapper Imports.
